A prize of $10.00 is offered by Ezra P. Carrell for the best-kept property in the Borough of Hatboro. The property to which the award shall be made shall be decided on the following conditions:-

The value of the property shall not enter into consideration.

The award shall be on the following points.

The best-kept buildings, which shall include all buildings on the property.

The best-kept lawn.

The most tasty display of flowers.

The best sidewalk.

The best curb and gutter.

Any or all these points to be considered by the Judges.

The Civic Committee of the Neighbors offer a prize of $5.00 for the most artistic and best-kept lawn in the Borough of Hatboro.

The conditions are that the Judges shall take into consideration the grass, flowers and shrubbery and the prize to be awarded to the lawn which has made the best use of the amount of ground and location at their disposal.

The Borough of Hatboro offers a prize of "Honorable Mention" to the Square in the town whose properties are the best-kept and at the decision of the Judges shall publish in the Public Spirit the name of the Square and entitle it as the Blue Ribbon Square of Hatboro for the year 1921.

Three Judges shall be chosen one each from the Townships of Horsham, Upper Moreland and Warminster, the selection to be made by the Board of Road Commissioners of the several Townships; the appointment to be made either from their own body or by the selection of a competent Judge.

In the judging of the best Square, they shall take in consideration Buildings, Lawns, Sidewalks and Gutters and two inspections to be made, one in early August and the other in early October.

The matter was discussed and it was decided to accept the plan and have it published in the local paper.

A special meeting of Borough Council was called to order by President Carrell at 7.55 P. M. Members present Carrell, Yerkes, Garner, Schaffer, Street Commission Williams and Burgess Robinson.

President Carrell informed the members that the purpose of the meeting was to consider contributing to the State Highway Department a portion of the cost of repairs to Old York Road. After a general discussion on motion the following resolution was adopted:-

R E S O L U T I O N
Borough Aid

RESOLVED that the Borough Council of Hatboro in regular session assembled on this 21st day of March, 1923, do on behalf of said Borough subscribe $500 and grant permission to the State Highway Department of Pennsylvania to make temporary repairs on York Street, known as State Highway Route 155 - M - provided, however, that this action does not give the State Highway Department authority over this section of Highway nor commit the State Highway Department to the future maintenance of said street.

APPROVED this 21st day of March, 1923.

EZRA P. CARRELL - President.

Attest S. CARL GARNER - Secretary Pro Tem.

Approved PENROSE ROBINSON - Burgess.

The President was requested to forward a copy of this resolution to the Highway Department, Philadelphia and to write the District Engineer that the State would be expected to haul the stone to the side of the road.

On motion meeting adjourned at 8.15 P. M.

Karl Garner
Secretary Pro. Tem.

Hatboro, Pa., April 2nd, 1923.

H. CHESTER MORRIS , having been appointed to serve until his successor is elected at the next municipal election, to take the place of Clifford Fenton, resigned, was thus qualified.

I do solmenly affirm that I will support and obey the Constitution of the United States and the Constitution of this Commonwealth and that I will discharge the duties of my office with fidelity. That I have not paid or contributed either directly or indirectly any money or other valuable thing to procure my appointment; That I will not knowingly receive directly or indirectly any money or other valuable thing for the performance or non-performance of any act or duty pertaining to my office other than the compensation allowed by law.

H. Chester Morris (SEAL)

Affirmed and subscribed before me this 2nd day of April A. D. 1923.

Fenwood A. Crawford Burgess.

Hatboro, Pa., April 2nd, 1923.

A regular meeting of Borough Council was called to order by President Carrell at 8.15 P. M. Members present Carrell, Jarrett, Yerkes, Morris, Schaffer, Borough Officer Iliff, Street Commissioner Williams, Borough Treasurer Watson, Building Inspector Walker. The minutes of the regular meeting were read and approved. The minutes of the special meeting were also read and approved.

President Carrell called the attention of Council to a communication he had received from Borough Solicitor High advising that Council had no authority to make appointment of a Councilman who had not yet become of age. The matter was discussed and on motion of Garner seconded by Jarrett the action of Council appointing H. Chester Morris at the March meeting was ratified and approved in as much as he has become of age since that meeting. Mr. Morris was duly sworn in by the Burgess as of even date.

STREET COMMITTEE - Reported that crossings had been cleaned of snow, streets dragged, one carload of stone purchased for repairing soft places and another carload ordered.

PROPERTY COMMITTEE - Had no report; except that letter had been received from Mark Davis addressed to the Enterprise Fire Company asking for the privilege of holding meetings of the Baseball Club in the Enterprise Fire Room in Town Hall. It seemed to be satisfactory to Council provided it met the approval of the Fire Company.

WHEREAS

OUR RETIRING PRESIDENT

M R . E Z R A P . C A R R E L L

having served for a period of four years as a Member of the BOROUGH COUNCIL of Hatboro and having declined re-nomination, Be it RESOLVED That at the regular meeting of Council held January 7th, 1924, at the time of his retirement, we, the undersigned Members of BOROUGH COUNCIL desire to express our respect for him, our utmost confidence in him and our appreciation of the matchless record the Borough has made during his administration. During no four consecutive years in the past history of the Borough has it made such a definite step forward in its progress as during Mr. Carrell's term. He was ever watchful of the best interests of the Taxpayers, quick to discern that which would be an improvement to the Borough and an untiring servant to the public, Therefore be it further RESOLVED That we who have had the honor of being associated with him, know the Borough to have lost a faithful officer and desire a copy of these resolutions to be spread upon the minutes and a copy be engrossed and presented to him as a token of our esteem.

On motion meeting adjourned at 9.30 P. M.

Secretary.

Hatboro, Pa., January 7th, 1924.

A special meeting of Borough Council for the purpose of organizing for the term of two years was called to order at 9.35 P. M. Members present Garner, Morris, Schaffer, Jarrett, Mason, Bates and Binder.

A temporary organization was effected by electing H. Chester Morris, Temporary Chairman and Warren M. Cornell, Temporary Secretary.

The following nominations were made to fill offices for a period of two years.

S. Carl Garner for President.

Stephen W. Mason for Vice-President.

Warren M. Cornell for Secretary.

O. T. Watson for Treasurer.

Samuel H. High for Solicitor.

Alfred K. Williams for Street Commissioner.

William T. Muldrew for Borough Engineer.

On motion the above named gentlemen were unanimously elected by acclamation.

At the request of Burgess Robinson, William H. Iliff was appointed as Borough Officer for the term of two years, the term of Council.

On motion it was duly ordered that the fees and wages for all Borough Officers be as follows:-

| | |
|---|---|
| Solicitor | $50.00 per year. |
| Secretary | $125.00 per year. |
| Treasurer | $ 50.00 per year. |
| Burgess | $ 25.00 per year. |
| Borough Officer (including janitor Service) | $ 54.00 per month. |

The Street Commissioner to receive $5.00 per day and the wages of labor left in the hands of the Street Committee and the Street Commissioner.

It was further decided to charge the Hatboro Loan and Building Association, the Loller Building and Loan Association and the Hatboro School Board an annual rental of $15.00.

It was decided to hold the regular monthly meetings on the first Monday of each and every month at 7.30 P. M.

President Garner appointed his committees as follows:

| | |
|---|---|
| Light Committee | Mason & Binder |
| Water and Property Committee | Schaffer & Jarrett |
| Street and Pavement Committee | Bates, Morris & Jarrett |
| Finance Committee | Morris & Mason |
| Law Committee | S. Carl Garner & Warren M. Cornell |

President Garner requested that the various committees go over the amounts of what money be required by their particular committees during the year and furnish information at the next meeting so that an intelligent budget could be prepared.

There seemed to be some question with reference to our Building Inspector resigning; his term of office having expired at this meeting. The matter was discussed and the names of Daniel R. Stone and Henry J. Morris presented and three ballotts each cast resulting in a tie vote. The name of Mr. Walker was then presented and he was unanimously elected for a period of two years providing he will accept.

Borough Engineer Muldrew was present and discussed a few improvements that he thought advisable.

The matter of excevating on Lehman Avenue by Mr. Daniel Carter was discussed and the Proper Committee were requested to look after it.

On motion the four fire-plugs erected on Hatboro Farms by Warren M. Cornell were accepted by the Borough as of January first.

On motion meeting adjourned at 11.20 P. M.

Secretary.

Secretary.

Hatboro, Pa., March 3rd, 1924.

A regular meeting of Borough Council was called to order by President Garner at 7.40 P. M. Members present Garner, Morris, Schaffer, Binder, Bates, Jarrett, Street Commissioner Williams, Borough Building Inspector Walker and Borough Treasurer Watson. The minutes of the previous meeting were read and approved.

Street Commissioner Williams reported that gutters had been cleaned and very little other work done on the streets during the month.

STREET COMMITTEE - Mr. Bates reported progress with reference to the culvert at the Andrews corner.

The Secretary was directed to write the owner of the MacNair property on Montgomery Avenue and call their attention to the crumbling of the curb; and ask that the matter have attention so that the water from the gutter will not wash the roadway.

Mr. Bates also informed Council that he had obtained an estimate of the cost of grade on Moreland Avenue and Montgomery Avenue East from Mr. Muldrew of $300.00. He also informed Council that Mr. Muldrew's estimate was approximately $500.00 to take care of the grades and street line on York Road.

Borough Engineer Muldrew was present and after considerable discussion it was decided to arrange for the pavement and curb grade and street line on York Road with the understanding that the work would be done in the next thirty or sixty days. Mr. Muldrew also furnished a plan for the culvert for the bridge at the lower end of the town and informed Council that he would take the matter up further with the County Engineer, Cressman.

Mr. Jarrett, of the Street Committee, gave his report with reference to securing a scraper and on motion it was finally decided to purchase a scraper from the Good Roads Machine Company at a cost of $235.00 delivered.

Messrs. Schaffer and Jarrett of the Property Committee reported progress with reference to having floor of the Fire Apparatus Room repaired.

LIGHT COMMITTEE - Mr. Binder reported that additional lights had been

placed on Jacksonville Road, but the light had not been placed on Montgomery in front of the Weiss property. The Secretary was directed to write the Light Company to give this matter their attention. The Secretary was also requested to write Mr. Messmore of the Philadelphia Suburban Company with reference to any overcharge on any electric light bills that might have been made during the last few months. He was also requested to write the Company and request them to move light on Byberry Avenue from the west side of the railroad to pole on the east side of the railroad with the understanding that there would be no additional expense to the Borough for this removal.

PROPERTY COMMITTEE - Reported progress with reference to the signs at either end of the Borough and advised that Mr. Amber would repair the one at the lower end of the town, and that the one at the upper end of the town did not need any repairs. Mr. Schaffer reported that it would cost about $5.00 to have the lights on the bridge lettered and after some discussion it was decided not to do anything in the matter.

Treasurer O. T. Watson reported that there was a balance of $3941.54. He also presented to Council his financial statement for the period ending January 8th, 1924 which had been audited by E. J. Amber, Edwin MacNair and L. R. Walton.

(Sgd.) L. R. WALTON

Dated Feb. 26, 1924
Hatboro, Pa.

The report was accepted, ordered to be placed on the minutes, filed and published in the local newspaper.

The Secretary informed Council that at the present time it was not possible to provide an accurate duplicate in as much as the Borough offic had never been instructed by the County Commissioners with reference to the properties annexed by the Borough of Hatboro and that was the reason t duplicate was not included in this report.

The matter of levying the tax and preparing the budget was deferre for another month with the thought that we might dispense with our budget and simpl levy a straight tax.

Mr. Muldrew agreed to mail the Secretary a plan and profile of the Jacksonville Road in front of the Foundry which was ordered some time during last year and presented his bill to Council for $57.00. The Secretary was asked to forward same to the Hatboro Foundry Company.

The matter of collection of taxes in the portion of Upper Moreland Township taken over by the Borough of Hatboro was discussed and the Secretary was directed to advise the Tax Collector that in as much as we had received from the Auditor in these proceedings as well as Mr. Freas Styer, Solicitor of the County Commissioners, and Mr. Samuel H. High, Solicitor of the Borough of Hatboro that the taxes from these properties be paid to the Tax Collector of the Borough of Hatboro that he proceed to make collection and instruct the property owners to collect from the Upper Moreland Township Collector the taxes paid to him in mistake.

The Secretary informed Council that on instructions from the Property Committee he had ordered a bed for the jail from the E. T. Barnum Iron Works of Detroit.

A letter was received from Martha C. W. Park, Secretary of the

Civic Committee of the Neighbors, suggesting that the Borough make some arrangements whereby the houses in the Borough could be numbered; that the street signs be repeinted and that some arrangement would be made whereby the garbage would be collected from the rear of dwellings. The Secretary was asked to reply to the letter advising that the matters would have their consideration.

Letter was also received from Ex-Councilman Ezra P. Carrell also suggesting that some arrangement be made whereby we could have houses numbered and that some arrangement be made whereby the Borough would have control over the planning of streets in new developments. The Secretary was requested to write Mr. Carrell and inform him that the matter would have their consideration and to invite him to be present at the next meeting of Council.

Letter was received from the Philadelphia and Reading Railway Company with reference to the Borough placing warning signs at Mill Avenue and Cemetery Avenue near Fulmor Station. The Secretary was asked to reply to the letter which was addressed to Mr. A. K. Williams and inform them that it was a matter that they should take care of and not the Borough of Hatboro.

A letter was received from Mr. C. O. Cooke, Superintendent District 7-3, Departments of Highways, at Norristown, Pa. informing Council that their estimated cost of the repairs on York Road in the Borough of Hatboro for the year 1924 was $815.00 and the Borough's share would be $81.50 for these repairs. The matter was discussed and on motion the following resolution was adopted and the Secretary was directed to forward this resolution in triplicate to the Highway Department:

R E S O L U T I O N

BOROUGH AID

RESOLVED, That the Borough Council of Hatboro in regular session assembled on this 3rd day of March A. D. 1924, do on behalf of said Borough subscribe $81.50 for the purpose of making temporary repairs on York Street, forming a part or section of State Highway Route No. 155, which amount represents 10% of the estimated cost of

the work as provided in Act of Assembly approved May 18, 1923, P. L. Provided, however, that this action does not give the Department of Highways authority over this section of highway nor commit the State to the future maintenance of said Street.

Approved this 3rd day of March, 1924.

On motion meeting adjourned at 10.15 P. M.

Secretary.

Hatboro, Pa., May 4th, 1925.

A regular meeting of Borough Council was called to order by President Garner at 7.30 P. M. Members present Garner, Binder, Jarrett, Schaffer, Bates, Morris, Mason, Borough Officer Iliff, Street Commissioner Jackson and Borough Treasurer Watson. The minutes of the previous meeting were read and approved.

Mr. Brown, of the Roberts and Mander Stove Company, was present with reference to the culvert and gutter in front of their factory and after considerable discussion it was decided that the previous motion to remove this culvert be held up temporarily in as much as they contemplated erecting additional buildings and agreed to discontinue the culvert at that time. Mr. Brown also asked the Borough to furnish a fire plug to be placed on Tenner Avenue, east of Jacksonville Road, and to be connected to the reservoir this Company is about to erect. On motion the Borough agreed to do this and the Secretary was authorized to order the plug.

Mr. Bates, Chairman of the Street Committee, reported that practically all the streets in the Borough except Moreland Avenue, west, and New Street had been patched and stone had been placed on Mill Avenue and County Line scraped. Mr. Bates also presented to Council an estimate of the cost of the work on the streets for the present year of $3,033.20.

LIGHT COMMITTEE - Mr. Binder reported progress with reference to additional lights on Hatboro Farms.

It was reported that the water plug in front of the Kearns property was leaking and the Secretary was asked to take the matter up with the Superintendent of the Water Company.

PAVEMENT COMMITTEE - Reported that trees had been removed from the pavement in front of the Ward property and the pavement would soon be finished. The Secretary was directed to notify the present owner of the Kooker property on Moreland Avenue near the Railroad to

lay new pavement.

PROPERTY COMMITTEE - Mr. Schaffer advised Council that he had no report with reference to making arrangements for new heating for Town Hall.

President Garner informed Council that Mr. MacNair had made a request for grade for pavement on Montgomery Avenue. On motion the Secretary was directed to have Borough Engineer Muldrew furnish grade for pavement on this avenue from York Road to the Railroad. It was also decided to pass an Ordinance at a later meeting requiring property owners on this street to lay pavements providing the Borough Engineer can furnish a grade that will not in any way conflict with the new grade on York Road.

President Garner also informed Council that Mr. Starkey made a request that an electric light pole be changed on Montgomery Avenue west of York Road on his property. Mr. Garner agreed to give this matter his attention.

The matter of Mr. Welliver's building a small garage in the rear of his property was discussed and in as much as the cost was less than $100 it was decided not to require him to take out a permit.

The Secretary was requested to call the Building Inspector's attention to the fact that wooden lintels are being used in the Krewson house; permit for which was taken out during the last month.

Request was made to Council by George W. Flavell to place a culvert in rear of his property fronting on Central Avenue. The Secretary was directed to advise Mr. Flavell that this was against the Borough Ordinance and to further advise that if new pavements are laid along this Street Council will have the Borough Engineer give grade for same.

The question was raised by one of the Councilmen as to whether or not a permit had been taken out for the building being erected adjoining the Smith Garage. Mr. Bates informed Council he had not yet taken out permit, but would give the matter immediate attention.

The Secretary reported having issued the following permits:-

Remittances were turned over to the Borough Treasurer.

A representative was present demonstrating a lung motor. Council decided to hold the matter over for another month.

Treasurer Watson reported a balance in the Treasury of $852.26.

Letter from the Highway Department with reference to the Borough's share of the cost of repairs to Old York Road was read and left in the hands of the Secretary.

A letter was received from Martha C. W. Park, Secretary of the Civic Committee of the Neighbors, asking for a contribution from Council for oil to fight mosquitoes. After some discussion it was refused and the Secretary asked to advise Mrs. Park that while some of the members were in favor of it; others were not and it was felt that it was best for those in favor to make personal contributions to the fund.

Letter was received from Samuel H. High, Borough Solicitor, regarding the question of controlling the milk supply of the Borough. Mr. High did not seem to be in favor of same on account of the enormous expense. Dr. Homiller was present and stated that he would make the inspections without charge and agreed to secure copies of Ordinances from other Boroughs similar to Hatboro so that the matter might have further consideration at a later meeting.

Request was made by the Water Company for permission to run a one inch pipe from the livery stable to the property owned by Mabel

reading and same was granted by Borough Council.

The appropriation asked for of $100.00 was made to the Board of Health and to the Enterprise Fire Company.

He turned over his check for $157.20 on account of 1923 taxes and $283.70 on account of 1924 taxes.

Mr. Larue, Mr. Kruse and Mr. Schneider of Upper York Road were present and asked Council to take up with the Water Company and Gas Company the matter of extending mains to the County Line. The matter was discussed at length; when it was agreed that Mr. Larue would furnish the necessary information for the President of Council to take the matter up with the Companies and if necessary, with the Public Service Commission.

Mr. MacNair was present and complained about the grade at Montgomery Avenue. After some discussion with Borough Engineer Muldrew they looked over the condition at the corner of York Road and Montgomery Avenue and on returning to Council were advised that everything was satisfactory.

Mr. E. J. Amber was present and informed Council that he had taken up the matter of the dangerous condition of building at the upper Hotel and same had been attended to. He also stated that in the future he was desirous of having the special officers of the Borough help at the time of fires. He was informed by the President of Council to take the matter up with the Burgess who has charge of the Borough Police.

Mr. Howard Ward was present and complained on account of his being required to remove trees on Moreland Avenue while other owners were permitted to let them remain. The matter was left in the hands of the Pavement Committee. The Pavement Committee were also requested to require pavement to be laid at the upper hotel property on Moreland Avenue.

A representative of the United Utility and Engineering Company of Lansdale was present quoting a price on gas heater of $447.00. The matter was held in advisement until next meeting.

STREET COMMITTEE - Mr. Bates informed Council that streets had been patched and that some streets had been top-dressed with chips.

The Committee with reference to regulating parking for automobiles reported progress.

The Committee appointed to arrange for street signs reported progress

The Property Committee who had been instructed to have two signs at either end of the Borough repaired and painted also reported progress.

The Secretary was directed to send bills to owners of property on Moreland Avenue covering the cost of placing stakes for pavement. The bills to be sent as soon as Borough Engineer Muldrew furnished necessary information as to front footage.

Complaint was made with reference to Dr. Reading's pavement on Moreland Avenue and the matter was left in the hands of the Pavement Committee.

Approved by me this 24th day of August A. D. 1925.

(SGD.) PENROSE ROBINSON - Burgess

I, WARREN M. CORNELL, Secretary of the Borough Council of the Borough of Hatboro, do hereby certify that the foregoing is a true and correct copy of the Ordinance duly passed and adopted at a regular meeting of the Borough Council of said Borough, held August 24th, 1925, and that the same has been recorded in the Borough Council Book and has been advertised as required by law.

(SGD.) WARREN M. CORNELL - Secretary

President Garner informed Council that the County Commissioners had agreed to an appropriation of an additional $15,000 for the permanent work on York Road and that their appropriation had been sent to the State Highway Department for their approval.

He further advised Council that representatives of the P. R. T. Company had verbally made an offer of $5,000 toward the work along their tracks.

On motion of Binder seconded by Mason it was agreed to concrete the shoulders of York Road:- that portion between the main highway and the curb from Monument Avenue to Montgomery Avenue and from Byberry Avenue to the south side of Horsham Road; this work being in addition to that authorized at our meeting of July 6th, 1925; and also with the understanding that the additional appropriation of the county and appropriation of the P. R. T. would cover the cost of same.

On motion the Secretary was also directed to notify property owners on York Road from the Monument to Montgomery Avenue and from Byberry Avenue to Horsham Road to arrange for stub connections for both water and gas in as much as the Borough would not allow the paving to be torn up for a period of five years after the work is completed.

The Secretary presented Ordinance No. 120 providing for the collection of the whole cost of an improved concrete curb to be constructed on both sides of York Road in the Borough of Hatboro from the owners of real estate abutting thereon. This Ordinance on motion of Binder seconded by Schaffer was passed and ordered published in three issues of the Public Spirit.

On motion meeting adjourned at 9.35 P. M.

THIS AGREEMENT, Made and entered into this Twenty Eighth day of August, 1925, by and between the Secretary of Highways, for and on behalf of the Commonwealth of Pennsylvania, hereinafter called the Secretary of Highways, of the first part, and the Borough of Hatboro, in Montgomery County, hereinafter called the Borough, of the second part.

WITNESSETH, That the parties hereto do agree as follows: viz:

First. That the Secretary of Highways has advertised for bids for the entire width of said road 9224 feet in length and will let contract or contracts for the improvement of sixteen (16) feet width, in accordance with the provisions of the Act of May 31, 1911, P. L. 468, and its supplements and amendments, the type of construction to be Reinforced Concrete at a cost for sixteen (16) to forty-five (45) feet width of eighty-one thousand, nine hundred thirty-two dollars and sixty-one cents ($81,932.61), based upon the bid of the low bidder on file with the Department of Highways.

Second. That work may be done and material furnished under this agreement in excess of the estimated quantities, to the extent of fifteen (15) per centum of the contract amount, and shall be paid for at the unit prices bid by the contractor, and deductions for work not done and material not furnished, shall be made in a similar manner from the contract price, but if additional work and material beyond fifteen (15) per centum of the contract shall be required, a further agreement between the parties hereto

shall be made before the work is done.

Third. That the Commonwealth shall defray the total cost and expense of sixteen (16) feet width of said improvement and shall pay all survey, engineering and inspection expenses.

Fourth. That the Borough of Hatboro agrees to enter into a contract with the successful contractor for the construction of the additional width of paving over the sixteen (16) feet, to be contracted for by the State within the Borough limits, including all necessary curbing and draining structures, at the unit prices, bid by said contract the approximate cost of such additional width being twenty-five thousand five hundred one dollars and forty cents ($25,501.40), which is included in the aforementioned low bid.

Fifth. That all the work done, under and by virtue of this agreement shall conform to and be governed by the plans and specifications prepared by and on file with the Department of Highways, and that the work shall be done under the supervision of the Sec. of Highways or his duly authorized representative, and subject to existing laws governing the tearing up or opening of State Highways after construction.

Sixth. That the said Borough shall maintain that portion of said road lying within its proper limits after such improvement and reconstruction according to the standards of the Department of Highways, as provided in said Act of May 31, 1911, P. L. 468, and supplements and amendments thereto.

IN WITNESS WHEREOF, The Secretary of Highways, for and on behalf of the Commonwealth of Pennsylvania, has hereunto affixed his hand and the seal of the Department of Highways and the said Borough of Hatboro, by its duly authorized officers, has hereunto set its hand and seal pursuant to due and legal action authorizing the same by said Borough.
